The Harvest Service in St George's last week was a marvellous occasion with songs and poems to celebrate the harvest and the Early Years' children singing Grace that we sing every day at lunch time! Thank you to everyone who attended and kindly brought something for St Joseph's Night Shelter. They were very grateful when I turned up with a boot full of food and toiletries.

Parents' Consultation Evenings

Don't forget Parents' Consultation Evenings on Tuesday 16th October and Thursday 18th October. These are important meetings for you to meet the teacher and find out what targets we shall be working on with your child from now until February. Find out how you can support your child at home and help towards attaining these targets. Signing sheets are available in the office if you haven't made a time to talk to the teacher.

EYFS '6 Weeks In' Breakfast

I look forward to welcoming our EYFS families tomorrow morning for our 6 weeks In Breakfast. Breakfast is at 8.30, then children will go into class and I will introduce families to the partners that work in school to support our children. Come along, meet new friends and find out about how you can support your child's learning at home.

Universal Free School Meals

As we come to an end of the first half-term of Universal Free School Meals it is wonderful to see the vast majority of children enjoying their hot meal at lunchtime.

Please remember the school has to order and pay for hot meals two weeks in advance, so to help us manage this and avoid excessive waste, please consider the following -

- If your child would prefer to **consistently** have a packed lunch, provided by you on particular days, please let the office know as we do not want to encourage children bringing their own lunch when a hot meal has already been ordered for them.
- If you decide to stop hot meals all together, it is vital you let the office know within the two week parameter.
