Headteacher Mrs F Sayce

What do our children say about their learning?

Year One and Two are studying The Great Fire of London

Year Two said, "First we were on the playing field and there was a box. Inside it was some stinky cheese wrapped in a cloth and a box with some writing in. We have found out that it was part of Samuel Pepys' diary. We are finding more about that next."

Year One said, "Thomas Farriner (he was a baker) thought he had put the fire out but he didn't when he went to bed. A little spark shot out of the fire and it caused a big fire. Lots and lots of houses caught on fire because they were too close together. We made models out of cardboard, wood and straw."

By the way, watch out for the fire engine visit on Thursday!

Playtime Buddy training

Many of our Year 2 and a few Year 1 children have been trained as Playground Buddies. The children said, "We are respectful and we help each other and we can play with children and lead them in some fun games we have learnt."

EYFS

The Early Years have been making Memory Boxes; collecting items that are special to them and sharing them with their classmates. "I put a Legoland sticker in because I went there with my big sister." The children love learning through play in the outside area. "We love riding the bikes and being the ambulance to help people, and we like raking and digging in the mud kitchen." "I really like playing football and scoring goals, then I draw a line on the playground to show my score and add it up at the end. It's counting and playing at the same time!"

Don't forget - Parents As Partners' Time to Learn sessions for

Year 2 Monday 26th November, Year 1 Tuesday 27th and EYFS Stay and Play Wednesday 28th November - find out how you can help your child with maths.

AFRS Cake Sale

Friday 23rd November

We shall be holding a cake sale this Friday. All donations of cakes and cookies, large or small, will be gratefully received. Come along and buy something delicious for the weekend at 3pm. Why not encourage your children to do the buying to develop their awareness of money and change!

Year Two are joining forces!

Year Two are amalgamating into one class. They will be called Owl Class and be taught by Mrs Terzian and Mr Marchant in the old Fox Classroom. Badger Classroom will be used as an additional teaching space for group work. The children are very excited at being back together as a whole group.

AFRS Christmas Fayre

Our Christmas Fayre will be on Friday 7th December from 2pm - 4pm. This is always a fabulous event and such fun for the children. Look out for more information coming soon.

Thank you to everyone who made donations for Children in Need. The children enjoyed putting their money around a giant Pudsey face. We made a grand total of £125 for the day! Thank you for all your support.
