Election of a Parent Governor

Today your child will be bringing home some information regarding a vacancy for a Parent Governor on our Governing Body. Please give this some serious thought. Becoming a governor is an extremely worthwhile way to support your school.

If you would like to know more about what is involved in being a Governor, please do come and talk to Mrs Flint in the school office.

Parking in School

For the safety of our children please can parents not drive into the school grounds to collect their children from after school clubs.

This popular event for parents and children helps raise valuable funds for the school; **but we need your help to make it a success.**
