

Newsletter

As we come to the end of our second week of this term, I have been reflecting on what a busy and productive time it has been. Our new Reception children have settled now and are really enjoying the chance to stay for the whole day and join us for lunch. Mrs Toy and Mrs Blacklock will be inviting you all to a 'Stay and Play' session soon.

The children have also enjoyed finding out which 'House' they are in for the year. Everyone is part of one of four houses named after some of the trees in our lovely school grounds. We have the Cherry, Sycamore, Maple and Ash teams and every time someone shows some great learning behaviours or work, we are recognising this with the award of a house point for their team. Each week we will count all of our team points and find out which house has achieved the most. We are excitedly waiting until Monday to find out which house will be our first team champions.

The children have been producing some amazing art and writing from our 'Only One You' learning experience which will come to an end this week. Next week we will all be embarking on our new learning experience 'In the Wild Woods', where we will focussing on English, Geography and some design and technology skills. We will reveal more details about this next week.

School Start Time

As you know we will be opening the classroom doors at 8.45am, for children to come straight into class.

Please remember at 9 o'clock (the start of the school day) the doors will be closed and the playground gate locked for safeguarding purposes.

Children arriving at school after 9am will need to come via the main entrance.

Influenza Vaccination

All children have brought home consent forms for the flu vaccination programme. Please return the form confirming that you wish your child to have the vaccination or not.

School Photographs 26th September

The school photographer will be in school on the morning of Thursday 26th September. All children will have their photograph taken individually and in their class group during the morning.

There will also be an opportunity for pre-school child to be photographed with their older brothers and sisters, before school at 8.30am. Detail to follow.
