Headteacher: Mrs Debbie Allen

27th September 2019

Dear Parents and Carers,

Thank you!

Thank you so much to all of you who managed to come along to our meeting on Tuesday morning. It was wonderful to see such a lot of support for our school. I will be available first thing every Tuesday morning to speak to you all and as I promised, I will keep you all fully in the loop with any developments / news as they happen.

Curriculum plans for this term

Some of you asked for a more detailed overview of our learning for this term, which I have included. These are broad areas of study across the curriculum and may be tweaked as we go along, depending on the children's needs and interests. Please note this is for Year 1 and 2, as these are the years following the National Curriculum. Maths and phonics will be taught discretely unless it fits into a learning experience as below.

Year R will be following these broad themes but working on the Early Years Foundation Stage curriculum. More details can be found by following this link: <https://www.oxfordowl.co.uk/for-home/school-year/school-year-guides/what-to-expect-in-reception/>. Mrs Toy is also sending out additional information this week.

House Points Update

This week's house winners were Sycamore house with a grand total of 176 points. Well done to the Sycamores and thank you to Year 2 for helping us with all the Maths.

Invitations

Mrs Toy will be running a 'Stay and Play' session for parents of children in Year R at **9am on Thursday 10th October**. She will be demonstrating some learning activities with the children (explaining Funky Fingers and Disco Dough). Following on from this, she will be talking about the importance of play in the Early Years, phonics and early reading. Please do come and join us!

Coming soon...

An invitation for your children to take part in a whole school trip!

Autumn Term Curriculum Planner 2019 Rumboldswyke Infants' School
